Comment on your interest for the seminar

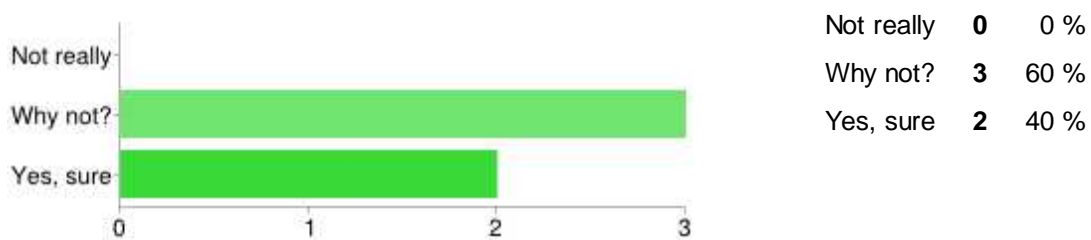

I especially enjoyed the seminar on the autonomy of the learner and the visit to Redon and the agency. I would have liked to talk more about it. Thank you again

Comment on you interest to transfer such practice.

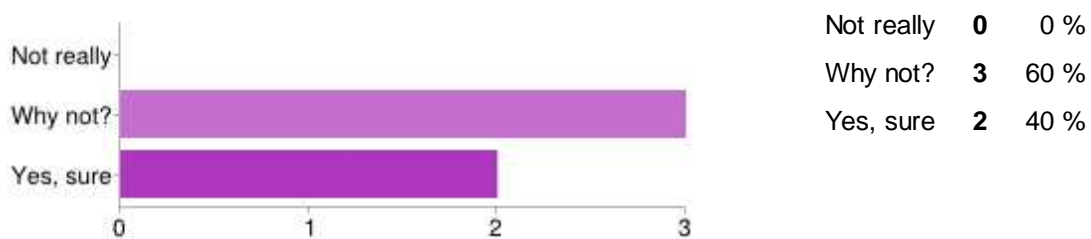

Developing individualisation practices for your own training [5. What do you think that could be valuable to transfer or develop in your organisation, or among your teachers ?]

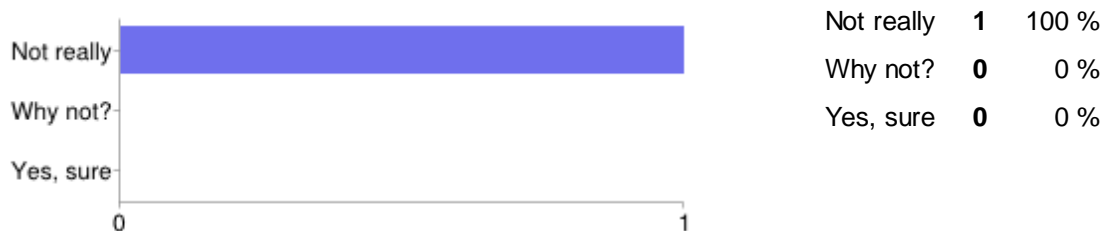

Improving the teachers pedagogy to develop their learners autonomy [5. What do you think that could be valuable to transfer or develop in your organisation, or among your teachers ?]

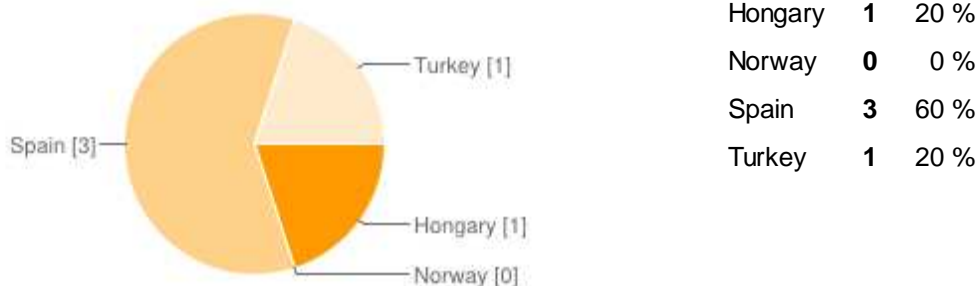

Improving the organisation of the training to develop the learner autonomy [5. What do you think that could be valuable to transfer or develop in your organisation, or among your teachers ?]

Other ? [5. What do you think that could be valuable to transfer or develop in your organisation, or among your teachers ?]

Partner identification

6. What would you mention as positive aspects of the meeting (strong points) ?

- Working climate have been good. - Theory about autonomy learning have been good but seeing it in Redon have been better. - Resource center has been an amazing way to work. I enjoyed the workshop on autonomy very much -the organization -a great personal experience -learn to learn I really liked the practical application of the learner's autonomy development. I appreciate very much the personal attention.

What would you mention as the negative aspects of the meeting (weak points) ?

language problems of partners hindered work
